

Cottonwood Kids is a solutions-oriented marketing company whose mission is to build patient satisfaction programs for the medical community that educate parents on best care and feeding practices for newborns.

## our goal is to help you:

1. Build relationships with your patients.
2. Spread goodwill within your community.
3. Focus on providing quality patient care.
4. Provide effective programs at an affordable price.

Cottonwood Kids provides creative solutions that help you save time and focus on patient care.

## What we do:

1. Design and customize programs to meet your facility's specific needs
2. Provide educational materials to help reinforce best care and feeding practices for newborns
3. Manufacture custom products exclusive to Cottonwood Kids to help you market your facility in a unique and affordable way
4. Offer fulfillment services to warehouse and ship products to you as needed
5. Strive to meet your needs in a flexible manner to build a long lasting customer service oriented relationship
