

## What's In The Healthy Baby Bag?

Packaged inside each **Healthy Baby Bag** are samples, coupons and helpful information about breastfeeding from some of the world's leading consumer product manufacturers. Each bag contains key breastfeeding products such as nursing pads and milk storage bags along with other useful products for mothers. While there are many valuable samples and coupons included in the bag, the actual contents vary from time to time depending on those manufacturers who choose to participate. The **Healthy Baby Bag** will never include formula, bottles, pacifiers, or nipple substitutes of any kind or in any form.
